

Onomia Summer Camp Prep Guide 2027

Welcome

Camp Onomia is thrilled to welcome your camper to a safe, joyful outdoor adventure rooted in Christ, Community, and Creation. This Summer Camp Prep Guide is designed to help you prepare with clarity and confidence, outlining program options, key dates, expectations, and practical next steps so you can make the most of your camper's Onomia experience.

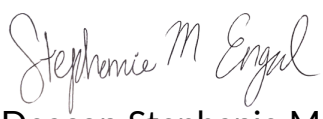

As a parent and aunt of campers, I understand that choosing a camp is not simply about finding a "good" program; it's about finding the right fit for your child. Research consistently shows that high-quality camp experiences significantly strengthen independence, resilience, friendship skills, and self-confidence. In fact, national studies indicate that more than 90% of campers report growth in self-esteem and social comfort after attending camp, and parents overwhelmingly note increased independence when their child returns home. Camp is not just a week away, it is a developmental milestone.

At Onomia, that growth happens within a Christ-centered community where campers are known by name, encouraged by trained mentors, and invited to explore faith in meaningful, age-appropriate ways. Our goal is not only that your child has fun—though they absolutely will—but that they return home more confident, more compassionate, and more secure in who they are and whose they are.

I encourage you to read through this guide carefully, reach out with your questions, schedule a tour, and connect with our experienced year-round staff. We see this as a partnership. If, after conversation and discernment, Onomia is not the right fit for your family, we will help you identify another strong program. That is how deeply we believe in the transformative power of the right camp experience.

This relationship extends far beyond a single week in the summer. With year-round retreats, family programs, and community events, Onomia is a place your family can return to again and again, to reconnect with Christ, Community, and Creation. With programs designed for every age and stage, there truly is something for everyone.

Our dedicated team is here to support you at every step. Please don't hesitate to reach out, we are honored to walk alongside your family in this journey.

ABOUT

Welcome to Onomia - Camp & Year-Round Retreat Center!
Camp Onomia is located in Onamia, just 90 minutes north of the Twin Cities. Set on the shores of Lake Shakopee, just south of Mille Lacs Lake, the camp offers the perfect blend of Minnesota Lake Country and North Woods charm. Surrounded by water, towering trees, and open skies, campers experience the beauty of the outdoors in a setting that feels both adventurous and comfortably accessible.

A Step into the Great Outdoors
Transformation begins when the first step into challenge feels safe enough to take. At Camp Onomia, we create an environment where campers can build confidence, and that confidence opens the door to growth.

Our Retreat Center offers welcoming, modern lodging for adults and families, while summer campers stay in bunk houses with communal indoor bathrooms that ease them into camp life. From there, adventure expands—onto our tent-based Warren Lake property and into nearby Kathio State Park. Here, faith deepens around campfires, on wooded trails, and in shared community, meeting campers where they are and inviting them into resilience, courage, and lasting transformation in Christ.

A Place for All
Onomia is a welcoming community where all are welcome. As a shared ministry of churches from the ELCA Lutheran tradition, we embrace individuals and families from all backgrounds and beliefs. Our mission is to provide a safe and loving environment where everyone can grow in faith and fellowship.

Dedicated to Your Camper's Growth
Our staff are intentional about recognizing each camper as an individual—supporting their unique strengths, comfort levels, and growth areas. If you have questions about whether your child is ready for camp, we welcome that conversation. We value partnership with parents and are committed to working together to ensure your camper's experience is positive, prepared, and life-giving.

Growing in Faith, Adventure, and Community
At Camp Onomia, faith formation isn't confined to a single moment, it is woven into the rhythm of each day. Through worship, Bible exploration, waterfront adventures, campfires, and shared community experiences, campers encounter Christ in ways that are active, relational, and relevant.
Every program is intentionally designed to equip and encourage campers of all ages—helping them grow in confidence, deepen their faith, and build authentic friendships rooted in Christian community.

The CAMP Promise

At Camp Onomia, CAMP is more than an acronym. It is a framework for the promise we make to every camper, guest, and summer staff member: Connected, Accepted, Mentored, and Prepared.

- **Connected:** We create opportunities to build meaningful relationships with others, with God, and with the world around us. You will build friendships with other campers, spend time with caring counselors, work together during activities, share meals, sing songs, and discover the joy of being part of a community.

- **Accepted:** Everyone deserves to feel welcomed, valued, and free to be themselves. At Onomia, you belong here. You will be welcomed just as you are. Our counselors will learn your name, listen to your stories, respect your individuality, and help you feel safe, known, and loved.

- **Mentored:** Through caring relationships, new experiences, and opportunities to lead, we encourage one another to grow in faith, confidence, and understanding. You will be encouraged by counselors and staff who walk alongside you, teach new skills, offer guidance, and help you navigate challenges. Through conversations, activities, worship, and everyday camp moments, you will have opportunities to grow in faith and confidence.

- **Prepared:** We hope every camper leaves with more than memories. They carry new skills, confidence, friendships, and faith experiences back into their everyday lives and communities. You will try new things, discover what you are capable of, practice making decisions, and learn to care for yourself and others. You will head home with new skills, meaningful memories, stronger relationships, and experiences that help you carry what you learned at camp into everyday life.

CAMP gives us a shared language for the experience we want every camper and guest to have at Onomia. From the moment you arrive until the moment you head home, our hope is that you know you are connected, accepted, mentored, and prepared for what comes next.

ARRIVALS AND DEPARTURES

Drop Off Sunday, 3:00 - 4:30 pm

When you arrive, Onomia Staff will help you:

- Check-in and receive your counselor's name
- Complete Health Office check-in
- Add funds to your snack canteen account
- Move your luggage into your housing
- Adults may recieve a guided tour before departing

If you expect to arrive late, please call ahead to let us know. Early arrivals are not permitted as our staff are preparing for the week. To help check-in go smoothly, please enter all prescription medication information into CampBrian before arrival. This allows our staff to have accurate information ready for check in.

Please note: Pets are not allowed on camp property. We appreciate you leaving them at home to help us maintain a safe and comfortable environment for everyone.

Some programs have alternative drop off and pick up times. Please refer to camper letters or contact the camp office for your camper's time.

Pick Up Friday, Noon

Your camper's adventure ends with a short closing worshipat the stone cross, fire circle. Families are welcome and encouraged to attend. Please allow extra time for parking.

After the program, be sure to:

- Visit the Lost and Found table
- Collect your child's luggage
- Check out any medications
- Shop the Camp Canteen

If you plan to pick up your child before the closing, an early release form must be completed during Sunday check-in.

LOST AND FOUND

Many valuable items are often left behind at Onomia, which won't hold Lost and Found items long after summer. If you've lost something, contact the camp office with a detailed description. You can either pick it up or pay for shipping. To avoid losses, label belongings with your camper's name, prepare a packing list, and double-check items before leaving camp.

Health Center

First Aid, Medications & Dietary Needs
Onomia provides a qualified volunteer Health Officer to administer First Aid and manage medications. Additionally, all Summer Staff are trained in First Aid and CPR to ensure camper safety throughout the week.

All medications, prescription and over-the-counter, must be in their original containers with clear directions. The Health Officer will collect and dispense all medications. There may be exceptions for inhalers and epinephrine products.

The Health Center stocks common over-the-counter medications, including aloe vera, pain relievers (acetaminophen and ibuprofen), antihistamines (such as Benadryl), antacids, laxatives, anti-diarrheal medication, cold medicine, cough drops, hydrocortisone cream, and antibiotic cream.

If your camper has a serious medical condition or special needs, please contact the camp office ahead of time so we can prepare to provide the best possible care. If your child has special dietary needs (such as gluten-free meals or severe allergies), you are welcome to pack supplemental food to ensure their needs are met. Summer menus can be shared by request.

In case of an emergency or serious health concern, parents or guardians will be notified immediately. Campers will be transported to Millie Lacs Health System in Onamia, MN, if further medical care is needed.

Please provide at least one emergency contact who is NOT a parent or guardian. This helps us reach someone if we cannot contact you directly. Make sure all emergency contact information is up to date before camp. Please complete and submit all required health and medication forms before camp to help us provide the best care possible.

Healthy Campers Begin With You!

- **Share important information.** Fill out your camper profile honestly and contact the Program Director about any mental, emotional, social, or physical needs so we can best support your child.
- **Encourage open communication**. Help your child practice telling their counselor about any problems or concerns. Our caring young adult staff want to help but need to know first.
- **Pack the right gear.** Include closed-toe shoes, sandals with a back strap, water shoes, a reusable water bottle, sunscreen, bug spray, and other items for active, outdoor play.
- **Prepare for camp life.** Begin reducing technology use and spend more time outdoors to get used to sun exposure, walking, and being active in nature.

Communication

At Camp Onomia, we recognize that time away from home can be both exciting and stretching, especially for campers who are experiencing overnight camp for the first time.

Research from the American Academy of Pediatrics indicates that frequent contact with home during camp, particularly through phone calls and texting, can unintentionally increase homesickness and make it more difficult for campers to acclimate.

When a camper's attention shifts back home, it can interrupt their adjustment process. Instead of leaning into new friendships, routines, and responsibilities, they may struggle to fully engage. For this reason, Onomia is a cell phone–free environment, and we intentionally limit direct camper–home communication during the week.

This approach is not about keeping your camper from you, it is about creating space. Space for your child to:

- Build meaningful friendships within their cabin group
- Develop confidence and independent decision-making skills
- Practice resilience while navigating new experiences
- Fully participate in the joy, faith, and community of camp life

We understand that connection matters deeply to families. To balance independence with reassurance, we provide two parent–camper communication options that support your camper's growth while protecting the integrity of the camp experience:

Camper Email

You can send emails to your camper to onomiamail@gmail.com. Please write camper name & program in subject.

Camper Mail

Everyone loves camp mail! If sending letters through the postal service, please postmark them at least one week before your camper's first day. Mail can take longer than expected to reach Onomia.If sending a package, please do not include food or beverages. You are also welcome to bring a pre-bundled set of letters to drop off at check-in.

Please address all mail as:

Camp Onomia
Camper Name, Program, Dates
14202 Shakopee Lake Road
Onamia, MN 56359

Camp to Home Communication

Onomia will use the phone numbers and emails you provide on your registration forms. If there are any serious health or emotional concerns, we'll reach out to you at home. Remember, if you don't hear from us, that means everything is going smoothly!

If we experience extreme weather, our team will send updates through email and post on social media. These updates might be a bit delayed because our main focus is keeping the campers safe.

Parents/Guardians: Please read this section over with your camper. it helps the Onomia Community thrive if your camper knows that our expectations are also your expectations.

Responsibilities of Campers

Camp Onomia is a place for safe and fun outdoor adventurers, rooted in God's love and grace. Your camper helps keep Onomia fun and safe by...

- Staying with their counselor and letting adults know where they are going with a buddy.
- Not marking, defacing, or destroying camp or personal property or nature.
- Avoiding foul language and gestures.
- Understanding that rough horseplay, teasing, or unkind behaviors are not tolerated.
- Not bringing snacks into the cabin to avoid unwanted critters and bugs coming into camp housing. (Campers with medical needs will be provided with proper storage.)
- Leaving all electronic equipment at home, including cell phones.
- Understanding that all valuables are brought at your own risk. While camp does make efforts to find lost and found items, it is not guaranteed.
- Bullying is not tolerated.

Behavior Management

We want every camper to feel safe, supported, and able to join in all the fun of camp life.

- Our staff use positive guidance strategies—such as redirection, clear expectations, and natural consequences—to help campers make good choices.
- If challenging behavior continues, a camper may meet with a year-round staff member to work together on a plan.
- Parents will be contacted if additional support is needed.
- In some cases, a camper may need to return home if behavior cannot be resolved.

  For the safety of all, staff may skip steps and escalate immediately if a camper is at risk of harming themselves or others.

Subject to Dismssal

While rare, certain behaviors require immediate dismissal from camp to protect the safety and well-being of others. These can include possession or use of alcohol, tobacco, vaping products, or illegal substances; possession of weapons; physical violence or fighting; leaving camp property without permission; theft; or actions that put the camper or others at risk of serious harm. In these situations, parents/guardians will be contacted to arrange for the camper's prompt departure from Onomia.

Ways to Help Your Camper

We want every camper to feel safe, supported, and successful at camp. If your child benefits from one-on-one support at school or in other settings, we ask that you help arrange similar support here. Our staff are trained to work with a variety of needs, but we are not able to provide dedicated 1:1 behavioral management. Having the right support in place helps your camper, and the whole cabin, have a wonderful week together.

Summer Packing List

Onomia is an outdoor, rustic, adventure camp. Clothing should be durable and suitable for spending lots of time outside. Dressing in layers is recommended to adjust to changing weather throughout the day. Most programs include at least one night camping out from the dorms, so a sleeping bag is ideal. Do not bring items of value and please label everything with your camper's first and last name. If there are program specific items, they will be noted in your camper letter.

Essentials to Bring:

- Backpack or drawstring bag — To carry daily essentials around camp
- Reusable water bottle
- Bible — If you don't have one, we can provide one!
- Raincoat or poncho — Activities happen rain or shine!
- Personal hygiene items: shampoo, soap, toothpaste, toothbrush, deodorant
- Towels: bath towel, washcloth, and beach towel
- Flashlight and extra batteries
- Bug repellent
- Sunscreen

Recommended Footwear: All shoes must have a backstrap, with the exception of showershoes

- Closed Toe Shoes, like Sneakers — for protection for activities like teambuilding and archery
- Flipflops or shower shoes
- Sport sandals — *optional* for walking around camp and most activities
- Watershoes or old shoes — *optional* for time in Lake Shakopee or canoeing

Clothing & Bedding:

- Sleeping bag and pillow
- Warm clothes — evenings can be cool
- Long pants
- Summer wear — comfortable clothes for warm daytime activities
- Swimsuit

Optional Items:

- Camera
- Card games, friendship bracelet supplies, books, journals — great for cabin downtime
- Hat and sunglasses
- Guitar or other musical instruments
- Extra blankets or a favorite stuffed animal

Dress Code: All clothing and swimsuits should be appropriate for a Bible camp, similar to your camper's school dress code. If you have questions, contact the Program Director at onomiaprogram@gmail.com

Please Do Not Bring: Valuable or irreplaceable items, cell phones or other electronics, pets, firearms, fireworks, knives, tobacco products, alcohol, or non-prescription drugs, or outside food and drinks (unless medically needed). *Campers found with weapons, alcohol, tobacco products, or drugs will be dismissed from camp. Other prohibited items will be securely stored and returned at departure.*

Frequently Asked Questions

How do I know which program is right for my camper?
Camp Onomia offers a variety of programs designed for different ages, interests, and experiences. From first-time campers to returning adventurers, there is something for everyone!

NEW: Each program has its own webpage with more information about what makes it unique. Click the program link on our website to explore its activities, schedule, and special experiences before registering.

What is tiered pricing?
We believe camp should be accessible to every family. Camp Onomia offers tiered pricing to help make that possible. Depending on the program, families may choose between a True Cost price, which reflects the actual cost of providing the experience, and a Supported price, which is subsidized through the generosity of donors and campership funds.

Register before March 15, and you can choose the Early Bird Tier, our best savings. All options provide the same full camp experience. Families can confidentially choose the price that works best for them.

Are scholarships or camperships available?
Absolutely! We believe no camper should miss out on camp because of financial need. Camp Onomia offers financial assistance through our campership program, and many congregations have additional funds available to help send campers to camp. Please contact us if you need assistance.

Will my camper go camping or sleep outside?
Yes! Every cabin will have the opportunity to spend a night sleeping somewhere outside of their usual dorm. Depending on the cabin and their plans, campers may choose to sleep in a tent, under the stars, or even build a blanket fort inside another camp building! For this reason, we strongly recommend bringing a sleeping bag. It will come in handy whether your camper is sleeping outdoors or creating a cozy indoor campout.

Can my camper request a friend as a cabinmate?
Yes! Campers may request one cabinmate when registering. We do our best to honor requests while grouping campers by age and program. While we cannot guarantee every preference, we guarantee one housing request.

Frequently Asked Questions Continued

What if my camper has food allergies or dietary restrictions?
Our kitchen team works hard to accommodate food allergies and dietary needs. Please include all allergies and dietary restrictions on your camper's health forms during registration. If your camper has a severe allergy, intolerance, or specific dietary needs, please contact our Program Director ahead of time so we can plan appropriately. Our canteen also offers a variety of snack options, including dairy-free, gluten-free, and plant-based choices.

What happens if it rains or there is bad weather?
Camp happens rain or shine! Our staff have backup plans and alternative activities for rainy days. In the event of severe weather, we follow established safety procedures and move campers to appropriate shelter. Once everyone is safe, we will communicate with parents and guardians as needed.

Will I receive pictures of my camper?
Yes! Camp Onomia shares photos with families through a private photo album. We also share photos on social media after the session, following our photo permission guidelines.

What if my camper needs to arrive late or leave early?
We strongly encourage campers to attend the entire session. Being present for the full week helps campers build friendships, participate in activities, and experience the rhythm of camp life. If your camper needs to arrive late or leave early, please contact the camp office in advance. We will do our best to accommodate your schedule.

Who can pick up my camper?
For camper safety, only adults authorized on the registration paperwork may check out a camper. Please make sure your authorized pick-up information is accurate and up to date.

What if we have other questions?
We want every camper and family to feel prepared and excited for their time at Onomia! If you can't find the answer you're looking for, please reach out.

The Campership Fund helps ensure that no camper is turned away due to financial need. Thank you for your generosity and for helping make camp accessible to all.

Onomia Staff

Camp Onomia takes great pride in our primarily young adult summer staff. Before campers arrive, our team completes an intensive two-week training focused on safety, leadership, and creating an exceptional camper experience. Staff earn nationally recognized certifications in lifeguarding, CPR, and First Aid, and receive comprehensive training in youth development, behavior management, group facilitation, outdoor skills, and emergency procedures.

Our goal is simple: every camper should experience a week that is safe, joyful, and deeply meaningful. Our training equips staff not only to supervise, but to mentor, encourage, and inspire every child entrusted to our care.
