### **Quilt Offer Form**

I would like to put in my offer for the quilt listed below. I understand that this offer to buy is a binding agreement between myself and Camp Onomia. If shipping is required, I understand that Camp Onomia will cover shipping expenses. This price is my firm and only offer.

Note to buyer:

1. This amount will be the **starting bid** at the live auction and if outbid, this offer to purchase is no longer valid, so your offer should be what you are willing to pay for this quilt.
2. **This is NOT a proxy bid** with an anonymous bidder bidding up the price at the auction for you up to this amount.
3. Again, this is your offer to purchase this quilt **if no one at the live auction bids more for it**. If your offer is \$800 and someone at the live auction bids \$850, they will win this quilt.
