Camp Rules/information:

- Please be respectful at Camp Onomia. If you wouldn't do it at home, you probably shouldn't do it here. This includes, but isn't limited to: camp property, animals, other people, and other people's belongings.
- Obey safety regulations around camp. They are there to keep everyone safe and happy.
- For your safety, wear shoes at all times. Sharp rocks and bees hide underfoot!
- Campers are not allowed to leave camp at any time without the direct supervision of a staff member and/or prior permission of a parent or guardian.
- PLEASE keep their cell phone at home! Cell phones should not be brought to camp. Cell phones are a distraction to the community we build at camp and can actually enhance home-sickness. In emergencies, campers are able to call parents using the camp phone. Parents can reach campers when necessary by calling the office.
- All medications must be in their original container (Prescription **AND** over the counter medications) are to be turned into health services during check-in. If you have not completed a health form online, that must be done as well.

- All campers are expected to fully participate in camp activities. If campers are unable to participate in certain activities, please notify us at check-in.
- We know you will have a great time this week, but if you should intentionally cause harm to others, intentionally break something, or refuse to respect the camp leaders, your parents will be contacted to come and get you. We do not take situations like this lightly, and expect parents to come and pick up their camper as soon as possible. Camp can be the best experience of your life. We will do our best to help you make that happen!
- Campers may be transported off-site at times for a program activity. Only camp vehicles with a qualified driver will be used for off-site trips.

CAMP STORE

Our Canteen offers a wide variety of sweets and snacks, ranging from candy and chips to ice cream and pop. We suggest youth in our week-long programs bring \$10-\$30 per week if they want to participate in our camp store. Money can easily be deposited online when you register or deposited during check-in and any remaining balances can be refunded or offered as an offering during check-out. Also, the store will be open during check-in and check-out to browse our wide selection of cool camp gear, water bottles, and other merchandise.

CAMP WEEKLY MISSION PROJECT:

We believe that God is calling us to help others and to do good in the world. This year, campers and parents will be given an opportunity to once again support the ELCA Good Gifts program. You can send with your child a dedicated amount for this ministry opportunity at Camp Onomia, or invite them to donate a portion of their camp store balance at the end of the week to this helpful cause! How much will we raise? Enough to stock a health care clinic for a month? Enough to supply an entire village with mosquito nets? Enough to support a refugee family for a month? We'll see!

Attend a second camp week this year for \$100 off!

We have many programs which offer a different camp experience if you can come back a second time this year. We will give you a \$100 discount if you sign up for a second 6 DAY camp session this summer. Register for both programs online and then drop us an email. We will discount your second program \$100!

We are looking forward to an awesome camp experience this summer as we learn to love like Jesus through life together in this place. Get ready for a great time at Camp Onomia!
