

# Camp Onomia Fall Volunteer Day

| Task                                                         | Description                                                                                                                                                                                                      |
|--------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Too Many Cooks?</b><br>Retreat Center Kitchen Clean-Up    | Give our Retreat Center kitchen some love! After a quiet summer, help us scrub countertops, clean sinks, wipe down surfaces, and get this kitchen ready to welcome winter retreat guests.                        |
| <b>On the Move!</b><br>Summer-to-Winter Kitchen Move         | Move supplies, equipment, and kitchen essentials from our summer kitchen to the winter kitchen so our team is ready to serve up hospitality all winter long.                                                     |
| <b>Friendship Refresh</b><br>Friendship Hall Clean-Up        | As we transition out of our summer kitchen, help us clean and reset Friendship Hall. Tackle surfaces, organize supplies, and take care of the little details that help this well-loved space shine.              |
| <b>Bedtime for Buildings</b><br>Seasonal Dorm Winterization  | Tuck our seasonal dorms in for the winter! Help prepare buildings for the cold months by stacking mattresses, vacuuming out water where needed, and completing other seasonal closing tasks.                     |
| <b>Leaf It Better Than You Found It</b><br>Fall Yard Work    | Grab a rake, gloves, and your favorite outdoor work gear! Help clear leaves, gather fallen branches, tidy outdoor gathering spaces, and prepare the grounds for winter.                                          |
| <b>Timber!</b><br>Wood Clean Up                              | There's woodwork to be done! Help cut up fallen trees and branches around the site, clear debris, and tidy wooded areas.                                                                                         |
| <b>Game's Over (Til Summer)</b><br>Program Supplies Clean Up | Help us track down summer camp yard games, outdoor activities, and other program supplies. Gather, inspect, and return equipment to its proper storage spot so everything is ready for next summer's adventures. |

Other projects available by gift and time! Help us plan best by RSVPing today!
